Looking for something to do after school?

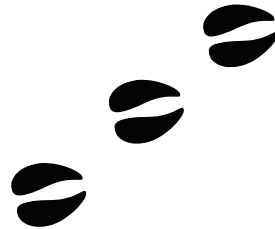

Join a Connecticut Audubon Coastal Center educator for a fun-filled nature exploration series, using hands-on activities, props, and live animals!

Program topics*:

- **Bird of a Feather!**- Discover how to identify birds, use binoculars, and attract birds to your backyard.
- **CSI:Backyard**- Become a nature detective and solve a mystery that's happened in your own school yard.
- **Hunters of the Night: Owls**— Meet a live owl and dissect an owl pellet**!
- **Kitchen Sink Science**— Enter the amazing world of polymers. We'll make slimy, gooey substances that are tons of fun!
- **Long Island Sound in a Jar**- The water is green. Can you make it clean again?

- **Outdoor Art**- Get inspired by nature and create amazing works of art.
- **Scales and Tails**- Learn about reptiles and amphibians!
- **Shifting Shells**- Discover the secret life of sea creatures.
- **Spineless Wonders**- Find out what spiders, roaches, and crabs have in common.

**Other topics are available. Pick one or combine several. Each program can be tailored to meet your specific needs!*

***Additional materials fee for owl pellets.*
