

Birthday Parties

We look forward to helping you celebrate your child's birthday at our Center. To make the event special, we urge you to reserve a date at least one month or more in advance.

Parties are more manageable if you limit the number of guests. Because of space limitations in the Program Room, please limit your guests to no more than 25 children and adults. We suggest a 1:8 ratio of adults to children. Our staff conducts the educational program but does not provide additional adult supervision during the reserved time.

You may bring balloons and streamers to decorate the Program Room as long as you do not use tape or tacks on any painted surfaces.

Call our office (860-633-8402) to arrange a date for your party. Parties can be held during our public hours on Saturday (10:30 a.m. to 5 p.m.) or weekday afternoons as available, Tuesday through Friday from 1 p.m. to 5 p.m.

Our most popular party is a visit with live animals from our Center. This hands-on experience is an excellent opportunity to introduce your child and guests to the natural world through respect for all living creatures.

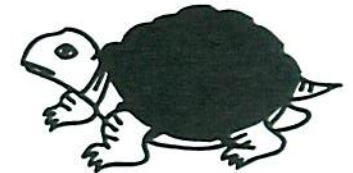

☀Pond Life

Includes an outdoor adventure that explores Tom's Pond which is just down the trail in Earle Park.

This program is available in Spring, Summer and Fall only.

☀A Walk in the Woods

Take a mini-adventure into the woods and visit the pond, stream and woodland trails.

☀A Customized Party

This may be designed to fit the special interests of your child. There is an additional fee of \$15 for set-up and an additional materials fee may be charged.
