

# Nature Programs for Scouts

Our staff will work with you to develop a program covering appropriate requirements for nature-related badges and/or projects.

Each program is one hour in length and must be scheduled in advance. Tell us about your project and we will plan activities to compliment it.

Activities or field studies related to animals, plant life, or environmental issues can be arranged.

All programs include indoor time and outdoor activities in 48-acre Earle Park, which is adjacent to our center.

**TO MAKE A RESERVATION:** Call the Connecticut Audubon Society Center at Glastonbury between 1 and 5 p.m. Tuesdays through Saturday (860-633-8402). Please have alternative dates in mind when you call. Scheduling is done on a first come, first served, basis.

Since not all programs are suitable for all age levels, please let us know when you call which program(s) you are considering and we will let you know if they are appropriate for your group.

**PROGRAM FEES:** At the Center, the charge is \$6 per person with a \$50 minimum fee. The maximum group size is 25 students. A deposit of \$50 is required to hold the reservation. If you must cancel, we do require notice in advance by mail, fax or telephone. You will receive an invoice and a confirmation form which must be signed and returned with your deposit.

**REQUIREMENTS:** All our programs are hands-on, activity-oriented classes. Please have your students wear suitable clothing. If your students wear name tags, it will help us relate to them more personally.

**TRAIL WALK at EARLE PARK** As an option, you may schedule an interpretive walk through the adjacent 48-acre Earle Park. There is a charge of \$4 per person, with a \$25 minimum, which included admission to the Discovery Room before and/or after.

There is a regularly scheduled walk on the second Saturday of every month at 11 a.m.

**ON SITE ALTERNATIVE ;** We can visit you for \$125 per program plus mileage. Programs are offered Tuesdays through Saturdays, throughout the summer, between the hours of 9 a.m and 2 p.m.  
Call for after-school availability during the school year.

Register early. Dates are filled on a first-come basis. Cancellations require a week's notice. Weather cancellations will be rescheduled.
