

We Provide

- A fun-filled nature-based program of your choice for your child and up to 15 guests (including siblings).
- Duration: Programs last 45 minutes to 1 hour depending on the program and the age of the children.
- A professional educator, who will present an entertaining, energetic & hands-on program.
- A private party room for you and your guests for 2 hours. (This includes your clean-up time.)
- Activity Sheets (upon request)

You Provide

- Invitations and Refreshments
- Tableware: napkins, cups, plates, table covers, etc. (Please use paper products. No Styrofoam.)
- Adult supervision at all times to ensure that children stay in the party room and are safe.
- Clean-up after your party. Rooms must be left broom clean.
- Decorations. Please note: balloons, which can harm birds and animals, are not permitted. Piñatas are not permitted.

**1 Milford Point Road
Milford, CT 06460**

Birthday Party Programs for Ages 3-12

Let's Go Buggy!

Get a Bug's-eye View of Small, Crawly Critters. We'll discover who lives under logs, flies through the air and calls our sanctuary home, through stories, games and puppets. Program includes an outdoor scavenger hunt, exhibit room visit and craft.

Birthday Party Programs for Ages 4-12

Wacky Water Critters

With the help of some of our very special live education animals, and using props, We'll explore how animals live in and around the water. Program includes exhibit room visit and craft.

Feathers, Fur & Scales

As science sleuths we'll investigate the weird and wacky world of animals! From the ordinary to the awesome, take a closer look at our "animal friends." Includes live animals and props.

Birthday Party Programs for Ages 5-12

Seaside Treasure Hunt

(April–October. Outdoors only.)
Get all your senses in gear– It's time to explore! Fiddler crabs, slipper shells, mud snails and killifish, Oh My! Meet the many creatures in our Coastal Center's marsh and beaches. What can you find? It's different every time!

Slither & Slime

What's slippery? What's slimy? Ever been eye-to-eye with a reptile? How far can a frog jump? Do snakes climb trees? We'll puzzle out the answers as you meet some of our amazing creatures. Includes live animals and props.

Dino Dig – **NEW!**

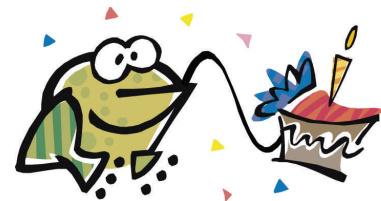

Become a paleontologist for the day as we dig for bones, search for fossils, and uncover and discover the mysteries of the past.

Birthday Party Programs for Ages 6-12

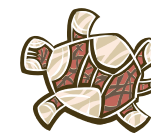

Spineless Wonders

What's hard on the outside and squishy on the inside? No, not you! But invertebrates are – it's true! Ever meet a hermit crab? Looked through the eyes of an insect? Wondered why spiders have eight eyes? Come meet these amazing creatures and find out! Includes live animals and props.

Native American Lore – **NEW!**

Visit our life-size wigwam, hear a Native American story, play games, make your own "wampum" bracelet and more! (An optional archeological dig for pottery shards and arrowheads is available for an additional \$7/child.)

Birthday Party Programs for Ages 8-12

Seashore "C.S.I." – **NEW!**

Something's "fishy" here at the Coastal Center. Signs show mysterious creatures pass by each night. Help us ferret out clues, reconstruct "crime scenes" and find answers to some amazing seaside mysteries. Compare animal tracks and traces, feathers and much more as we identify the mystery creatures in our backyard.

Kitchen Sink Scientists – **NEW!**

(Ages 7 and up)

Experiment with the amazing properties of liquids, solids, and substances that act like both. It's tons of fun using ordinary, non-toxic, household ingredients to create something that will bounce, stretch, snap or stick. We'll even create our own special "blob" to take home.
