Deer Pond Farm Address and Directions

The main entrance is 57 Wakeman Hill Road, 1.1 miles from route 37. Look for a black mailbox with 57 on it and enter at the stone wall entrance. Go up the driveway following the green visitor parking signs towards your left.

PLEASE NOTE: Enter 57 Wakeman Hill Road into your navigation device, not the name Deer Pond, as there is a pond by this name in Sherman which is not The Connecticut Audubon Society.

GPS devices or phone apps may incorrectly indicate that you have arrived 0.25 miles prior to the actual driveway. They may also direct you to Orange Pepper Road, which has no access to the property.
