Part-Time Teacher-Naturalist

The principal role of this position is to teach CAS education programs, working closely with Catie Resor, Education Program Manager. Teacher-Naturalists report to Kate Reamer, Director.

Responsibilities

Science in Nature and Non-School Education Programs
- Implement Connecticut Audubon Society’s programs including their K-12 education program, *Science in Nature*, as well as adult, family and youth programs
- Ensure all programs are conducted according to CAS guidelines
- Ensure all program materials are organized and in sufficient supply
- Participate in education-related trainings and attend statewide education meetings as requested by State Director of Education, Michelle Eckman

Requirements
- Bachelor’s degree in education, science, or related field
- Minimum of 1 year teaching experience in formal and/or informal settings with a variety of audiences
- Proficiency in computer skills, including Microsoft and cloud-based software programs
- Understanding of pedagogical processes, particularly with regard to environmental education
- Proven skills teaching a variety of audiences in formal and informal settings
- Physical capability to accomplish the responsibilities of the position
- Ability to work a flexible schedule, including some evenings and weekends as needed

Salary
Hourly rate of $12-$15 based on experience.

To apply, please send cover letter and resume to Kate Reamer- Director, Center at Glastonbury at kreamer@ctaudubon.org.
